

Baptism Preparation Schedule 2024

- Parents must attend weekly Sunday mass, complete an online baptism preparation certification process, schedule an interview with Mrs. Tomsic, and attend rehearsal prior to their Child's Baptism.
- All requirements must be met before Baptism will be celebrated.
- Baptism, like all the sacraments, is communal in nature; please choose one of the dates listed below. Private celebration may be possible for medical reasons.
- Only one godparent is required but he/she must be an active and practicing Catholic who has received the sacrament of Confirmation, who is in good standing with the Church (this includes that if they are married it is a church marriage and not just civil), and is above the age of 16.
- Godparents must attend a godparent class. They may do this at their own parish, or watch the certification video with the parents or watch the godparent video listed below. If you need certification for another parish, please just complete the certification process provided for the parents.
- There is a \$75.00 suggested donation payable at the time of the interview. Please bring a copy of the child's birth certificate to the interview.
