## VOTE "NO" ON PROPOSITION 1

### Catholics United to Protect and Support Women, Children and Families

Every human life, including unborn human life, is unique and unrepeatable, a person with inherent dignity and an eternal destiny. The intentional taking of any innocent human life is a grave moral evil, and people of faith and goodwill have an obligation to protect human life and oppose all attacks against human life and dignity. In CA this year, voters are faced with a choice to keep abortion law in our state as it is or to vote in favor of a new constitutional amendment that would permanently expand and vastly increase abortions in our state, without doing anything to give vulnerable women a real choice. While we pray and work for the day when every human life, born and unborn, will be protected in law and welcomed in life, today we work to defeat this ballot initiative.

**Proposition 1** is a worst-case scenario for abortion in California. It is an expensive and misleading ballot measure **that allows unlimited late-term abortions — for any reason, at any time, even moments before birth**, paid for by tax dollars. Prop 1 isn't needed. Sadly, California already has some of the most permissive abortion laws in the nation that would remain in effect without the amendment, including our current limit on late-term abortions that are permitted only for the life and health of the mother. Prop 1 destroys this common-sense limit. California does not limit state spending on abortion, and with thousands more traveling from other states, the cost will be in the hundreds of millions. Don't hand lawmakers a blank check to pay for abortions, and don't let them make California an "abortion sanctuary." To learn more, visit [www.CAcatholic.org/Prop1](http://www.CAcatholic.org/Prop1)

## VOTE "NO" A LA PROPOSICIÓN 1

### Católicos Unidos para Proteger y Apoyar a Mujeres, Niños y Familias

Cada vida humana, incluida la vida humana por nacer, es única e irrepitable, una persona con dignidad inherente y un destino eterno. La toma intencional de cualquier vida humana inocente es un grave mal moral, y las personas de fe y de buena voluntad tienen la obligación de proteger la vida humana y oponerse a todos los ataques contra la vida y la dignidad humanas. En CA este año, los votantes se enfrentan a la elección de mantener la ley del aborto en nuestro estado tal como está o votar a favor de una nueva enmienda constitucional que expandiría permanentemente y aumentaría enormemente los abortos en nuestro estado, sin hacer nada para dar a las mujeres vulnerables una verdadera elección. Mientras oramos y trabajamos por el día en que toda vida humana, nacida y por nacer, sea protegida por la ley y bienvenida en la vida, hoy trabajamos para derrotar esta iniciativa electoral. Con ese fin, ofrecemos los siguientes recursos que unirán a las personas de California para oponerse a esta iniciativa extrema.

**La Proposición 1** es el peor de los casos para el aborto en California. Es una medida costosa para el elector y engañosa que **permite abortos tardíos sin límites – por cualquier motivo, en cualquier momento**, incluso momentos antes del nacimiento – a expensas de los contribuyentes. La Proposición 1 no es necesaria. Lamentablemente, California ya cuenta con políticas de aborto entre las más permisivas del país que seguirían en efecto sin la enmienda, incluso con sus límites importantes para el aborto tardío, que se permite por la vida y la salud de la madre. La Proposición 1 derriba estos límites de sentido común. California no limita el gasto estatal en aborto, y con miles viajando desde otros estados para procurar un aborto tardío, el costo será de cientos de millones. No entregue a los legisladores un cheque en blanco para pagar los abortos y no permita que hagan de California un "santuario del aborto".
