

EDGE PRAYER

Heavenly Father

We thank you for today to gather as an EDGE Family.

We ask for you to cleanse our hearts and minds of things that are not of YOU, to make room for YOU.

Bless our family and friends and the community of Queen of All Saints.

Bless our Catechists, volunteers, parish staff, and our Priest, Fr. Neal.

And mostly, bless us, the youth of the world, so that we may walk boldly and closer to YOU, Lord.

==Additional special intentions/brief moment of silence==

With this and all the unsaid prayers and intentions in our hearts, we offer them up to you.

In your heavenly name we pray, AMEN.
